

Exclusive CPRE Shropshire Member afternoon at Millichope

Book your
place now!

Thursday 9th September from 3.30pm

We are delighted to invite you to a late summer afternoon at Millichope (near Craven Arms, South Shropshire) at the kind invitation of the Bury family.

Hear about how the estate is managing land and woodland for biodiversity - and how the family have adapted the house to twenty-first century [living!](#)

Take a guided walk around the lovely garden and parkland to look at ancient and veteran trees. Return to the main house for light refreshments in the beautiful Dining Room and (if fine) on the Terrace. If you don't want to walk, you are welcome to relax in the garden or house.

Enjoy a social afternoon with fellow members and CPRE Shropshire volunteers in lovely surroundings.

Tickets:
£12 per person
to include light
refreshments.
