9.30am (for 10) to 3pm

Thank you for booking on to this 1-day biochar production session.

If you have any questions please contact Sarah Jameson (contact details below). We very much look forward to meeting you on site!

Landowner/Trainer: Ian Steele, Treflach Farm

Directions & parking: See p2.

Arrival time: Please arrive by 9.30 for the 10am start. The workshop will go on until around 3pm and include a hedgerow walk on-farm.

Equipment & clothing: Bring warm/wet weather gear, sturdy footwear and good gloves. The venue will provide everything else.

Lunch/refreshments: Lunch is provided from the farm's own produce. Lunch will be vegan bean soup followed by either a meat pie (steak/pork/chicken) or a veggie/vegan pie with baked potato and salad. Please set Sarah know if you want the meat/veggie/vegan option and if you have any other dietary requirement before the day (please complete the form sent to you).

Loos: on site

HEALTH & SAFETY - IMPORTANT!

Treflach Farm is a working farm, and while we are not planning on going anywhere near animals or using machinery, care and responsibility for personal and others' safety should always be taken. We are not planning on having a fire alarm test so any alarm is real. We will be working outside with burning material and so care should be taken. Risk assessment is available on request. Please complete the emergency contact form supplied by Sarah and return to her prior to your session.

If you wish to discuss any of these points prior to the course, please contact Sarah on the email/phone number below.

If you find you cannot attend the workshop, please let us know in good time.
